DOM

By Satyawan Panchal

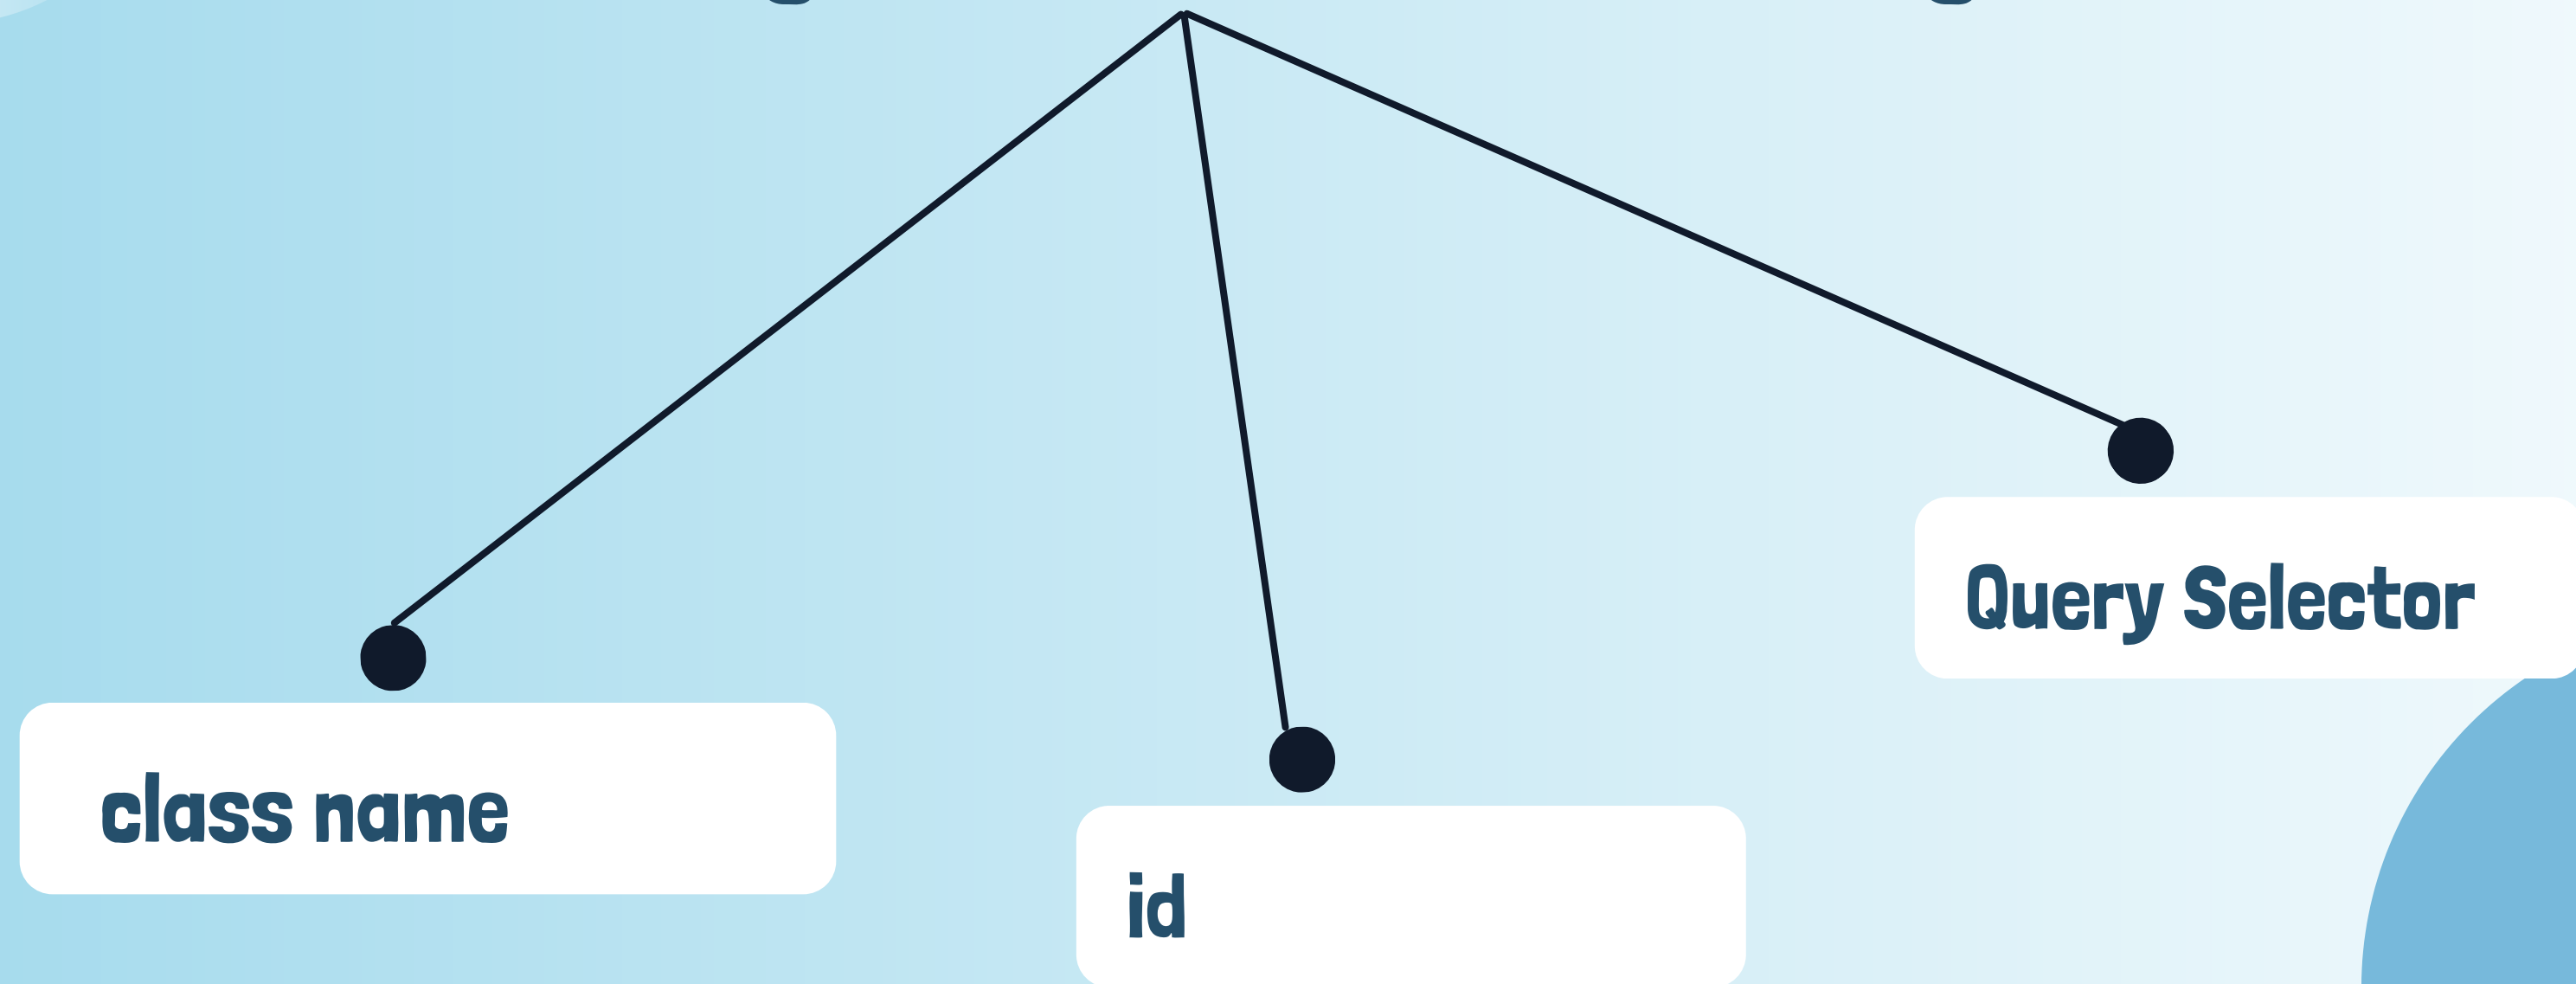

What is **DOM**?

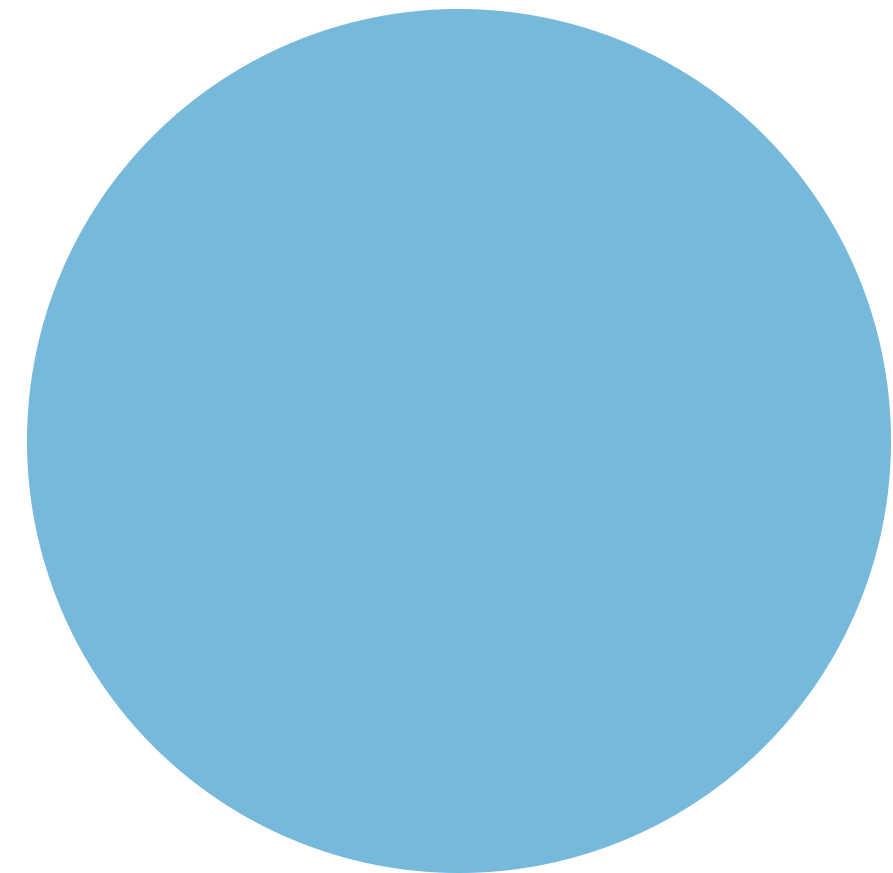

Accessing HTML elements using Js

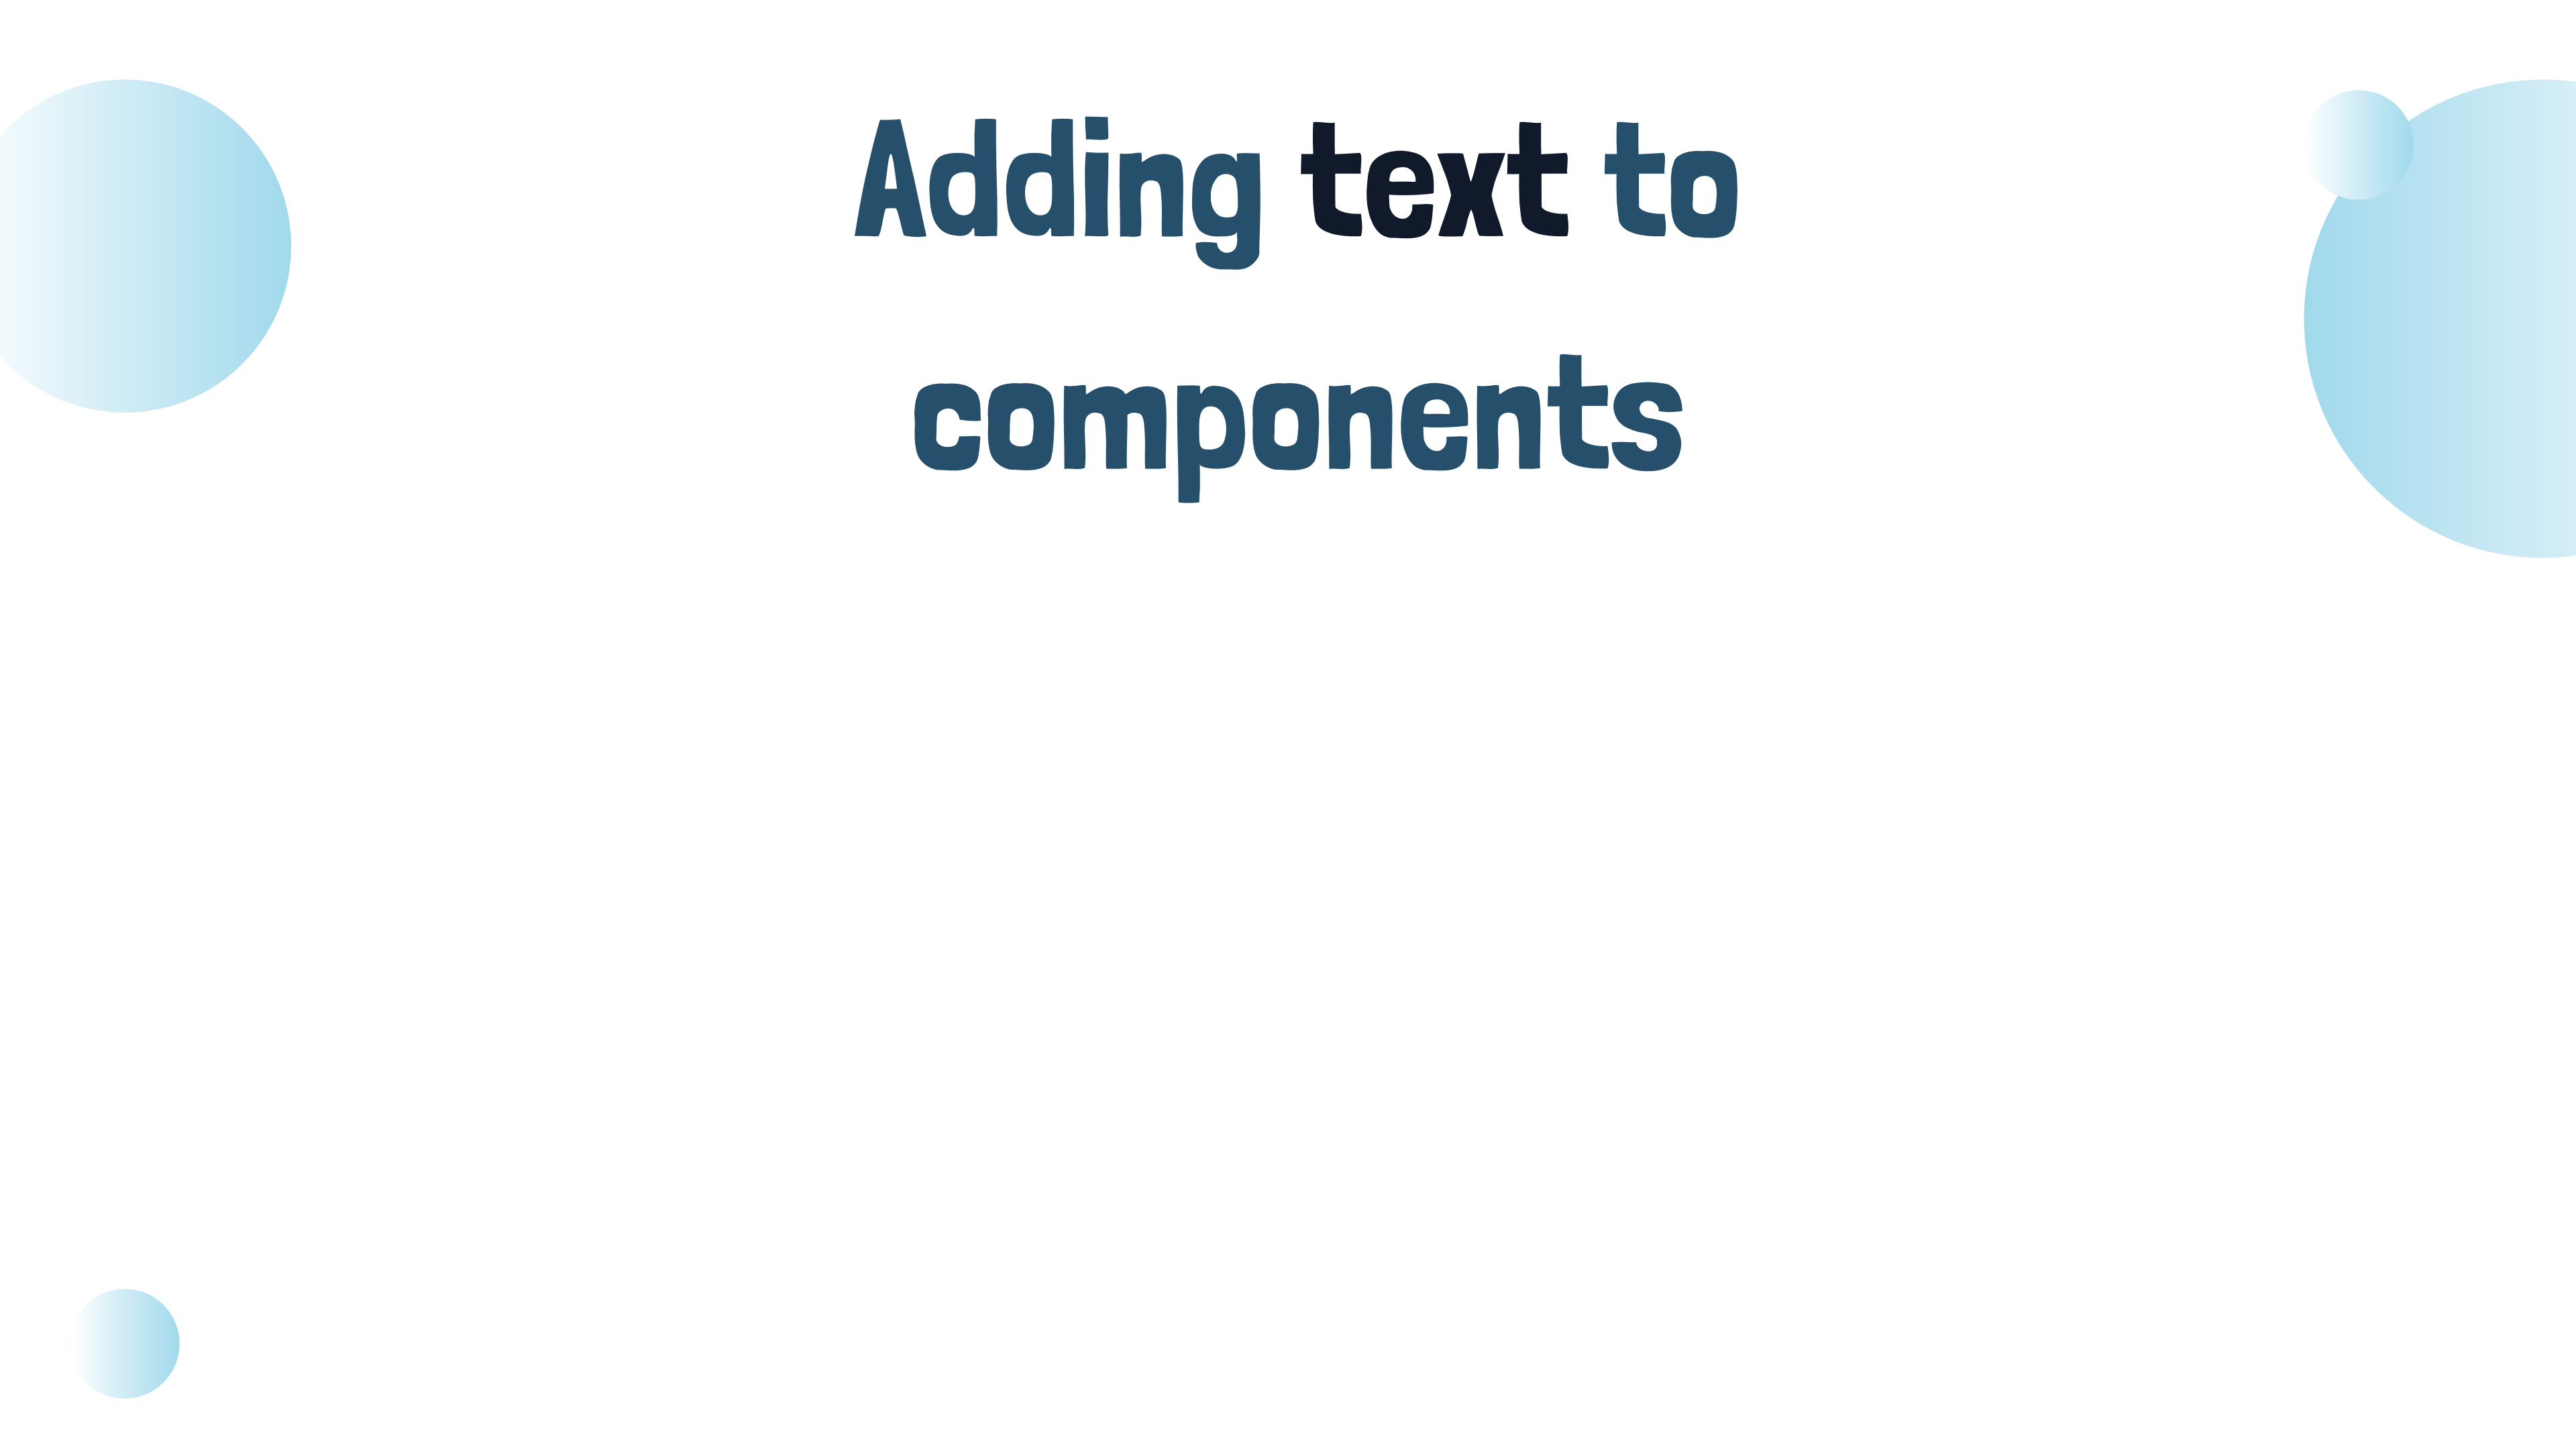

Adding attributes with components

Adding / Removing
classes by using dom

The slide features a white background with four light blue circles of varying sizes in the corners: a large circle in the top-left, a medium circle in the top-right, a small circle in the bottom-left, and a large circle in the bottom-right.

Adding text to components

What is inner HTML?

Assignment

Ques: How to access elements by id **using query selector** ?
